

## SEE CLICK FIX

### Introducing SeeClickFix – a quicker, easier, more convenient way to report an issue to the City!

- Use this online tool to report some of the most common non-emergency issues such as missed waste collection, potholes, sidewalk issues, and litter.
- Available 24/7 on the City's website or via an app, you can report an issue, and then get updates on the status of your request. No need to wait for regular business hours to submit your issue!
- You can also view previously reported issues to see if your concern is already in the system.
