## Another school year has begun...

With another school year starting, it's time once again to be extra careful and share the road. Here are a few tips to keep in mind:

- Designated school zones with a maximum speed limit of 30 km/hour are located in Spruce Grove on:
  - King Street adjacent to Brookwood School and Woodhaven Middle School;
  - Pioneer Road near the Prescott Learning Centre; and
  - Greystone Drive between Grove Drive and Greenwood Drive
- The speed limit is strictly enforced and in effect during school days from 7:30 a.m. - 4:30 p.m.
- Watch for school buses - and their stop arms and flashing lights. Never pass a bus that has stopped to let students get on or off, and when a bus is stopped, leave enough room between your vehicle and the bus to allow students to safely cross the street.
- Pay attention at intersections and crosswalks. Watch for pedestrians and obey all traffic signs and signals.

## Crosswalk and Pedestrian Safety

Whether we walk, ride a bike, hop on a skateboard or get behind the wheel of a car, we all have a role to play in crosswalk safety.

When pedestrians and motorists know and follow the rules about using crosswalks, it can help prevent person-to-vehicle collisions and injuries from occurring. Look out for each other, stay focused and obey traffic laws. By working together, we can all safely reach our destinations.
