The 2023-2025 Recommended Corporate Plan will be presented to Spruce Grove City Council during a series of Committee of the Whole meetings scheduled for November 7, 8, and 9 starting at 5 p.m.

The corporate plan is the City's principal guiding document for governance, community development and service delivery. It outlines the resources required to deliver Council's vision as described within the goals, objectives, and actions of the 2022-2025 City of Spruce Grove Strategic Plan. The Recommended Corporate Plan and highlights from the 2023 Proposed Budget can be found at [sprucegrove.org/corporateplan](http://sprucegrove.org/corporateplan).

During these meetings, Council will review the plan, discuss Administration's recommendations and provide direction on what they'd like to see in the final corporate plan, which will be presented at the December 5 Council meeting.

RVs are not permitted in driveways or front/side yards from November 1 to April 30. Learn more at [www.sprucegrove.org/RVstorage](http://www.sprucegrove.org/RVstorage).

## Move your ramp, save a snow plow!

Residents who use curb ramps (also known as driveway ramps or driveway aids) are reminded that they must be removed from streets by November 1, as per Spruce Grove's Traffic Bylaw. Ramps can freeze to the road and get caught up in snow removal equipment, causing costly repairs and delays. Ramps may be placed on driveway curbs starting May 1.
