Inclusive Parenting: Truth & Reconciliation

This program is designed to give parents and caregivers the tools they need to talk openly with children about reconciliation and Indigenous history in Canada. Facilitated by a local Indigenous Knowledge Keeper, this two-hour session will touch on appropriate language to use with children and ways to discuss colonialism, the Residential School system, and the importance of reconciliation. Free childcare is available.

Store it. Don't pour it.

If you're cooking a meal this holiday season, remember fats and grease from foods like turkey and gravy shouldn't go down the drain! Instead, store it in a certified compostable container. Once cooled and solidified, dispose of the container in your green organics cart.
