

## **PART 11 – LAND USE DISTRICT REGULATIONS**

---

### **SECTION 114 LAND USE DISTRICT MAP**

- (1) Land Use Districts specified in Part 11 of this Bylaw are described by their short form on the Land Use District map, which forms Schedule A of this Bylaw.  
(Bylaw C-1226-22, December 05, 2022)
- (2) District boundaries are delineated on the Land Use District map. Where uncertainty arises regarding the precise location of the boundary of any District, the following rules shall apply:
  - (a) District boundaries shall follow Site boundaries;
  - (b) District boundaries shall follow the municipal boundaries;
  - (c) District boundaries shall measure to the centre line of railway rights-of-way;  
and
  - (d) District boundaries shall measure to the centre line of road rights-of-way.
- (3) Any District boundaries not referenced specifically above shall be determined on the basis of the scale of the map.
- (4) Where Land Use Districts have been established to reflect a subdivision of land, the Districts shall be understood to conform to the Certificate of Title or plan of survey as registered in a land titles office. Prior to registration, Section 114(3) shall apply.
- (5) District Regulations do not apply to Highways, Streets, Alleys or any other public road right-of-way.
- (6) Notwithstanding Section 114(5), should an application to close a portion of any public road right-of-way be approved by Council and registered at land titles, the Districts applying to the Adjacent Sites shall apply to the registered road closure area.

**SECTION 115 R1 – MIXED LOW TO MEDIUM DENSITY RESIDENTIAL DISTRICT**

**(1) GENERAL PURPOSE**

The purpose of this District is to accommodate a range of low to medium density Dwelling types along each block face in order to provide flexibility in the design and Development of the neighbourhood. The District is intended to emphasize complementary relationships of Development with the Street and with each other.

### (3) ADDITIONAL REGULATIONS

(a) Notwithstanding Part 4, Section 14 Variances a Development Officer may grant variance to the minimum Density for Multi-Unit Dwellings where a Site is less than 800 m<sup>2</sup> and isolated from Site consolidation opportunity, or where a new Development or Subdivision would create or isolate a Site of less than 800 m<sup>2</sup> upon their consideration of:

- (i) The age and condition of existing adjacent Development that may allow Site consolidation opportunities; and,
- (ii) If granting a variance would unduly impact achieving an overall density target of 100 dwelling units per net residential hectare within the Municipal Development Plan City Centre Boundary.

(Bylaw C-1283-23, Feb. 12, 2024)

(b) Notwithstanding maximum Site Coverage (2)(b)(ix), the Development Officer may vary regulations to increase maximum Site Coverage for development using underground parking facilities, agreed parking reductions, smaller unit sizes to support affordability, or additional indoor Amenity Areas and facilities that comply with the density provisions of this District. Any application for a development proposed to exceed Site Coverage shall be a Discretionary Use development.

(c) Assisted Living and Designated Assisted Living developments shall provide 10% of the site area in the form of outdoor amenity area, which in the case of Designated Assisted Living it may be fenced for security purposes.

(d) Notwithstanding the Front Yard and Side Yard requirements in (2)(b), in the case of corner sites, the Development Officer shall determine the Setback for the additional Front Yard or Street Side Yard in accordance with Section 29 of this Bylaw and take into account the context of the Site and orientation of other developments and buildings on Adjacent Sites, the block face, and within the neighbourhood.

(e) A common Amenity Area totaling 7.5 m<sup>2</sup> per unit shall be provided for new Multi-Unit Dwellings that may consist of a single, distinct area or be divided into multiple areas. The Amenity Area shall include outdoor open space that provides adequate area for unstructured passive or active recreation to the satisfaction of the Development Officer, as well as two or more of the following:

- (i) Playground equipment;
  - (ii) Benches, picnic tables, or other seating;
  - (iii) A gazebo or other shelter;
  - (iv) A Patio;
  - (v) Courtyards;
  - (vi) Gardens; or
  - (vii) Other recreational or amenity uses that would meet the needs of the residents for the specific Development under consideration.
- (f) Loading and waste storage areas shall be located at the rear of all buildings and shall be screened from view from adjacent properties and pedestrian areas.
- (g) Notwithstanding Part 4, Section 14 Variances a Development Officer may grant variance to the minimum density for Uses such as or similar to Assisted Living Facility, Designated Assisted Living Facility, and, Special Care Facility where:
- (i) The proposed use meets the purpose and intent of the District; and,
  - (ii) Consideration is given to any future phases of development on the same site.

(Bylaw C-1283-23, Feb. 12, 2024)

#### (4) ADDITIONAL REGULATIONS FOR STREET INTERFACE AND BUILDINGS

##### (a) Street Interface

- (i) The Height of a new Building shall be compatible with neighbouring buildings, and a corner Building is encouraged to define a primary entrance point to a Street block.
- (ii) Roof line variation shall be encouraged.
- (iii) Buildings shall be accentuated to address the intersection and the streetfronts at the corners of significant Street intersections by use of building massing and architectural features.
- (iv) A Multi-Unit Dwelling shall not exceed 40 m of continuous Building frontage.
- (v) A Multi-Unit Dwelling shall provide sidewalk connections to ensure accessibility between the street and laneways/alleys.

##### (b) Building Design

- (i) District character shall be a high-quality environment distinguished by its organized, but varied façades with prominent detailing and signage.
- (ii) Building design shall be architecturally compatible with other structures by using complementary forms, materials, and scale.
- (iii) Architectural features shall be used to differentiate one face of a Building from another.
- (iv) All at-grade residential units are encouraged and shall have visual privacy from any public or internal sidewalks without the need for high or non-transparent privacy fences or walls that detract from the active street edge, or alternatively entrances may be raised to 2.0 m above grade.
- (v) Building step-backs where usable may contribute to required Amenity Area.
- (vi) Balconies shall be integral to the overall form and design of Multi-Unit Dwellings and shall not project beyond a property line.
- (vii) Variations in the setback of individual units up to 1.0 m shall be employed to provide building articulation and emphasize individual unit identity.
- (viii) Variations in architectural detailing (e.g., materials, colours, etc.) shall be used to create individual unit identity while maintaining overall Building design consistency.
- (ix) New buildings shall use brick, wood, or glass as their fundamental cladding with such materials being compatible and complementary to adjacent Buildings.
- (x) Vinyl siding is not an acceptable cladding material.

(5) ADDITIONAL DEVELOPMENT REGULATIONS FOR PARKING

(a) Parking shall be in accordance with Land Use Bylaw Part 8, except that:

- (i) Parking access for vehicles, either surface or structured, shall be permitted at either the rear or side of buildings, and/or may be internalized.
- (ii) Vehicular access to parking areas shall be from an alley, and where no alley exists access may be from an adjacent Street on the side that would best limit potential pedestrian conflicts.
- (iii) Visitor parking may be accommodated with surface stalls accessed from a rear lane.

### (3) ADDITIONAL REQUIREMENTS

#### (a) Location

Street-Oriented Row Housing shall be located on Sites that abut Collector Roads.

#### (b) Projections Into Yards

- (i) A single Storey unenclosed Deck may project a maximum of 2.0 m into a Front Yard Setback, provided that a minimum of 3.0 m is maintained between the front property line and the projection.
- (ii) A single Storey unenclosed Deck may project a maximum of 2.0 m into a Street Side Yard Setback, provided that a minimum of 1.5 m is maintained between the side property line.

#### (c) Vehicle Access

- (i) There shall be no vehicular access from the Street where an Abutting Alley exists, and

- a. A treed landscaped Boulevard is present along the Street adjacent to the property line; or
  - b. The Site Width is less than 15.5 m.
- (ii) Where vehicle access already exists from the fronting Street, a Garage may protrude a maximum of 1.0 m beyond the front wall of the Principal Building and have a maximum width of 7.3 m or 35% of the Site Width, whichever is less. In no case shall the Garage be located less than 3.0 m from the front property line.

(Bylaw C-865-13, Feb. 10, 2014)

(d) Corner Sites

The Development Officer shall determine the Setback for the additional Front Yard or Street Side Yard in accordance with Section 29 of this Bylaw and taking into account the context of the Site and orientation of other Developments and Buildings on Adjacent Sites, the block face, and within the neighbourhood.

(e) Character

- (i) The Development Officer may exercise discretion in considering Duplex, or Semi-Detached Dwellings having regard to:
  - a. Adjacent Sites in order to ensure new Development is complementary and compatible with existing Development. The Building and architectural design, siting, Grade elevations, Site Coverage, massing, and use of exterior finishing materials shall be to the satisfaction of the Development Officer, who shall ensure that the physical characteristics will be reasonably similar to, or better than the standard of surrounding development;
  - b. The effect on the privacy of adjacent properties; and
  - c. Where applicable, the policies and guidelines for Duplex and Semi-detached Dwellings Development contained in a Statutory Plan for the area.
- (ii) Manufactured Homes shall fit the building character of adjacent developments and of the neighbourhood to the satisfaction of the Development Officer.

(f) Landscaping

- (i) Notwithstanding the Landscaping regulations of Part 9 of this Bylaw, where new Development consists of replacement or infill within areas of existing housing, Landscaping shall be implemented as a component of such new Development in order to replace vegetation removed during construction or to reinforce an established landscaping context in the area.

**SECTION 119 RE2 – ESTABLISHED NEIGHBOURHOOD RESIDENTIAL DISTRICT 2**

**(1) GENERAL PURPOSE**

This purpose of this District is to ensure that new Development in established neighbourhoods is sensitive in scale to existing Development and maintains the traditional character design of the block face while allowing for new, compatible Development. This District is applied where lots are generally developed at a density exceeding 25 dwelling units per hectare.

## SECTION 122 HLC – HAWTHORNE LIFESTYLE COMMUNITY DISTRICT

### (1) GENERAL PURPOSE

This District is generally intended to accommodate detached and attached Dwellings in an integrated lifestyle community within the Hawthorne neighbourhood of Heritage Estates. This lifestyle community offers Sites with reduced Setbacks appealing to residents seeking less yard maintenance, as well as a more intimate streetscape with no on-Street parking and an internal roadway that is gated to outside vehicles at the community entrance. A mixture of housing types and sizes within a medium to high density site will encourage a diversity of residents creating a more integrated and heterogeneous community.

## **SECTION 132 DC – DIRECT CONTROL**

### **(1) GENERAL PURPOSE**

This District is intended to enable Council to exercise control over the Use and Development of land or Buildings. The District provides for Developments that, due to their unique characteristics, innovative design or unusual Site constraints, require specific regulation unavailable in other Land Use Districts.

### **(2) VALIDITY**

- (a) This District must not be applied to regulate matters that are normally regulated by subdivision or Development Permit approval conditions.
- (b) This District shall only be applied when Council deems appropriate and where the following conditions are met:
  - (i) The Development is considered appropriate for the Site, with regard for the policies and objectives of any Statutory Plan and compatibility with the scale and character of surrounding Development;
  - (ii) The use of any other District to accommodate the Development would result in potential conflicts with existing or future Developments, should the full Development potential of such District be utilized; or
  - (iii) The Development is of a unique form or design not contemplated or reasonably regulated by another District.

### **(3) DEVELOPMENT REGULATIONS**

Council shall:

- (a) Determine the land Uses that are Permitted or Discretionary in the District;
- (b) Specify which Developments and Uses shall be decided upon by the Development Officer and by Council per Section 8(3) and (4);
- (c) Impose standards and conditions considered appropriate to regulate the proposed Development or Use; and
- (d) Only allow Development that complies with an approved comprehensive plan of Development.

### **(4) ISSUE OF A DEVELOPMENT PERMIT**

- (a) Prior to issuing a Development Permit, Council may hold a public hearing or hearings as deemed necessary.
- (b) Notice of a public hearing shall be provided in accordance with the *Municipal Government Act*.
- (c) Notice of a public hearing may contain a statement to the effect that:
  - (i) If no objection to the Development is received within the time prescribed in the notice, then the decision will proceed without further notice; or
  - (ii) If an objection to the Development is received, then a public hearing will be held on a date and time and place specified in the notice.
