

We're hiring temporary staff to help conduct the 2023 municipal census

The City of Spruce Grove is currently hiring Census Enumerators and a Quality Assurance Coordinator to help conduct the 2023 municipal census. Enumerators will go door to door and collect census data from residents. The Quality Assurance Coordinator will conduct telephone quality assurance checks with residents to confirm data collected during the census period. Successful applicants must be able to attend a mandatory training session on April 13, 2023. The deadline to apply is Feb. 23. For more information, or to apply, visit sprucegrove.org/census.

WINTER ORGANICS COLLECTION

Green organics carts will be collected from Feb. 13-17 on your regular waste collection day. In the winter, green organics carts are collected during the second week of the month. Use the City's waste sorting app to subscribe for waste collection reminders and learn how you can reduce your food waste. Never forget when organics are collected again. Collection dates and the Trim Your Trash app can be viewed at sprucegrove.org/organics.

Watch Party

Join us for a watch party for Love Letter to Men: A celebration of Men and Mental Health. The presentation will be followed by a conversation about men's mental well-being and the resources available in our community.

Pick up after your pet

Be a responsible pet owner and remember to pick up after your pet whether you are using one of the City's off leash dog parks or another public space! It's not only the courteous thing to do, but it's also the law.
