Extra organics collection

As you're cleaning up your yard this month you may end up with more yard waste than what fits inside your green organics cart. This year, the City is introducing four new extra organics collection events to help residents dispose of extra organics waste and the next one is happening May 29 - June 2. During this week, on your regular waste collection day, you can put out extra yard/organics waste in a brown paper lawn or yard waste bag for pick up alongside your carts.

The other extra organics collection events will occur October 2-6, and October 30-November 3.

For event details visit sprucegrove.org/ExtraOrganicsCollection.

Property tax notices have been mailed

City of Spruce Grove 2023 property tax notices were mailed on May 24, 2023, and payments are due by June 30, 2023.

Failure to receive a tax notice does not affect the responsibility to pay taxes by the due date. Late payments will result in a 4.5 per cent penalty applied to the outstanding balance on the first of July, September and November.

Due to the processing delay at the Province of Alberta Land Titles Office, recent ownership and mailing address changes may not be reflected on Property Tax Notices.
