QUESTION:

Can a list of City owned facilities be created for Council's information?

Response

A list of facilities operated by Administration is attached. It should be noted that this is a dynamic list and was last updated earlier in the year.

Prescott Wellness Centre (344 Pioneer Road) and Family and Community Support Services (FCSS) (505 Queen Street) are not City owned facilities. Currently, the FCSS facility is being vacated as the lease was not renewed. FCSS is moving into a City owned facility.
